Scan Data Processing

From

Spartan Software

Beginning in January 2025, Spartan Software will begin offering all current customers the option to upload their Scan Data sales to both Altria and RJ Reynolds.

If you are not already registered for Scan Data, contact your Altria and/or RJ Reynolds sales representative to complete the signup process. You will receive a login/password. That information will need to be supplied to Spartan Software to begin.

Altria Login: _____   RJ Reynolds Login: _____

Altria Password: _____   RJ Reynolds Password: _____

To receive this service for sending your sales information, please complete the information below and return it to Spartan Software. The monthly cost is $50.00.
